

Food Collaboration & New Menu Launch

+

The Hare and Hounds are proud to announce we are collaborating with Simply Nutritious Foods to bring some mouth-watering healthy dishes to our new summer menu!

As well our fantastic pub classics and grill menu we have also introduced a fresh tasty **vegan/vegetarian menu, however we pride ourselves in using the highest, freshest ingredients, so we require a 24 hour pre order on some of our vegan dishes which can be viewed on line.**

Launch Night Friday 13th May

With a free glass of bubbly for every diner and founder of Simply Nutritious Foods Julian Saunders will be serving every diner a free assiette of dishes created by Simply Nutritious Foods which will be featuring on our Weekend Chef Specials Board in the coming weeks, so look out for those!
